

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Everything we do is centered on our mission: *Finding cures. Saving children.*

Families never receive a bill from St. Jude for treatment, travel, housing or food — because all they should worry about is helping their child live. St. Jude has helped push the childhood cancer survival rate from less than 20% when we opened to 80% today. We won't stop until no child dies from cancer.

St. Jude freely shares the discoveries we make, so one child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Join the St. Jude mission by visiting stjude.org or following St. Jude on [facebook.com/stjude](https://www.facebook.com/stjude) and twitter.com/stjude.

The AutoZone Liberty Bowl is proud to honor Priscilla Presley for her lifetime of outstanding achievements as a business entrepreneur, actress, producer, author and philanthropist.

Priscilla defied all the accountants, lawyers and managers who wanted to sell Graceland® in the late 1970's. Priscilla had the singular vision and passion to open her former home to the public and develop Graceland into one of the most well-known and iconic destinations in the world. Her efforts have brought millions of visitors and hundreds of millions of dollars of economic development to Memphis.

In her business career, Priscilla founded several successful businesses and most recently is the Executive Producer of a new HBO feature film.

Priscilla's acting career has spanned decades. She was one of the dramatic stars of the long-running, hit TV series "Dallas" and also became a comedic star in the popular "Naked Gun" movies. She is still active today on both stage and screen.

Priscilla's philanthropic endeavors include a long time position as an Ambassador of the Dream Foundation, granting last wishes to the terminally ill. Her love of animals has led to her great support of the Humane Society of the United States, lobbying on Capital Hill to urge members of Congress to co-sponsor the Prevent All Soring Tactics (PAST) Act to protect Tennessee Walking Horses.
