

St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Everything we do is centered on the mission: Finding cures. Saving children.®

Families never receive a bill from St. Jude for treatment, travel, housing or food, so they can focus on helping their child live. When St. Jude opened in 1962, childhood cancer was considered incurable. Since then, St. Jude has helped push the overall survival rate from 20% to more than 80% and it won't stop until no child dies from cancer.

St. Jude shares the breakthroughs it makes to help doctors and researchers at local hospitals and cancer centers around the world improve the quality of treatment and care for even more children.

Joe Theismann was presented the 2024 Distinguished Citizen Award by Rebecca Dinstuhl, President of the 2024 AutoZone Liberty Bowl.

67th Annual AutoZone Liberty Bowl Football Classic
